DAY 1:

Tarangire National Park- Monday, June 8, 2026

You will be picked up from your hotel in Arusha in the morning and depart for Tarangire National Park, approximately a 2–3 hour drive. Upon arrival, enjoy your first game drive through this remarkable park, famous for its large elephant herds, majestic baobab trees, and seasonal Tarangire River, which attracts wildlife throughout the year. Wildlife commonly spotted includes elephants, lions, giraffes, zebras, wildebeests, buffaloes, and a wide variety of birdlife. Later in the afternoon, proceed to your Camp for check-in, dinner, and overnight, surrounded by the sounds of the African wilderness.

Approximate driving time: 2-3 hours to the park

Commonly seen animals: Elephants, buffalo, giraffe, zebra, gazelle, Lions, impalas, dik dik.

Meals: Lunch, Dinner

Overnight: Baobab Tented Camp

(All transfers & meals - B/L/D - included)

DAY 2:

Game drive to Serengeti via Ngorongoro - Tuesday, June 9, 2026

After an early breakfast, depart Tarangire and drive towards the Serengeti National Park, passing through the scenic Ngorongoro Conservation Area. En route, enjoy breathtaking views of the Ngorongoro Highlands and a picnic lunch along the way. As you enter Serengeti National Park, the landscape opens into vast savannah plains dotted with acacia trees home to an extraordinary concentration of wildlife. Enjoy an afternoon game drive while heading toward your camp. Dinner and overnight at your camp.

Site visits: In and around the Ngorongoro Conservation Area

Approximate driving time: 4-5 hours to destinations

Commonly seen animals: Elephant, giraffe, buffalo, zebra, wildebeest, lion, jackal, vulture, warthog, impala, ostrich.

DAY 3:

Serengeti Safari - Wednesday, June 10, 2026

Spend a full day exploring the Serengeti National Park, one of Africa's most celebrated wildlife destinations. With morning and afternoon game drives, you will have excellent chances to encounter lions, leopards, cheetahs, elephants, giraffes, hyenas, and large herds of plains game. Depending on the season, you may also witness parts of the Great Migration, where thousands of wildebeests and zebras move across the plains in search of fresh grazing.

Return to camp in the evening for dinner and overnight under the star-filled African sky

Site visits: Serengeti National Park
