DAY 1:

History & Culture Tour - Monday, June 8, 2026

After breakfast, pick up at 08:00 from the hotel (Stone town hotels only) for Stone Town City Tour. This 2 hours tour begins with a visit to Zanzibar's colorful market, alive with the buzz of locals bartering fresh vegetables and baskets of tropical fruits, the heady aroma of herbs and spices. We continue to the site of the Anglican cathedral built in 1874 at the former slave market. Thereafter, we will visit the Zanzibar Museum, Tippu Tip's (slave trader) House, the former British Club, the Old Fort and the recently renovated Indian Dispensary (Aga Khan Hospital). Your tour ends at Forodhani garden, by observing "Zanzibar Submarine" Departure Platform / Lounge and with coffee & bites at Zenji Coffee, next door.

We will proceed to the famous Spice Tour at Kizimbani area where you will have the opportunity to pick, smell, and savor fruits and spices which you have probably never seen on the supermarket shelves. Cloves, star fruit, tangerine trees, lemon grass, mangosteen, 'lipstick trees', to name just a few what you can expect to see! It's the best place to buy locally made perfumes and oils at low prices.

After the Spice tour we will enjoy a late, but famous traditional lunch on the way to Matemwe/Pwani Mchangani or in one of our partner hotels where we will enjoy site inspections later on. While doing site inspections, another coffee break is waiting for you. When the sun is going down, you will be transferred to your respective hotel for check-in, dinner, entertainment and overnight.

DAY 2:

Zanzibar Cultural Tour - Tuesday, June 9, 2026

After breakfast, you'll be picked up from your hotel in Stone Town at 09:00 AM for a cultural tour to discover the rich cultural heritage of Zanzibar on a full-day adventure to Unguja Ukuu Village, one of the island's oldest and most historic settlements.

At 9:00 AM, you'll step into the local way of life dressed in traditional Swahili attire and visit a local school, where you'll interact with students and learn about the education system. After, a guided village walk follows, giving you an authentic glimpse into daily routines, traditional homes, farms, and artisan crafts.

Now head to Flora Zanzibar where you will be welcome by our local live band music as our local entertainment. Dance with our Flora Mamas and as warming welcome. With lovely cold face towels, you will be met with our Flora staff who will also welcome you with fresh coconuts as blessing from the village. Before heading to the kitchen, you need to know why we use coconuts as s main ingredients during cooking and how are they grown. So we do a short coconut tour inside Flora and head to the kitchen ready for cooking. We normally do 2 dishes while our Chef prepares more dishes to make the lunch perfect.

After cooking, now let us join The Flora Mamas for handcrafting. Get to know how to make Zanzibar bags, bracelets, local caps, henna painting and many more as their means of getting their living basic needs. They inherited this from their great gran parents. At lunch time, let us all set for the meals and enjoy full tastes of Zanzibar. Fresh seafood, tropical fruits juice, cold mineral water, lemon grass tea, Zanzibar snacks will make you're a very memorable one.

The day ends with leisure time by the pool or beach and a group photo to capture the moment, then be transferred to the respective partner hotels for check-in, dinner, entertainment and overnight.
